

Presented by Electrominds Society UET Taxila Sub-Campus Chakwal

## Certificate of Participation

This is to certify that Mr./Ms. Muhammad Faheed attended the seminar on "**Certified and Obvious Engineering Control System Designs**" organized by **Electrominds** on 22<sup>nd</sup> September, 2016. This seminar provided detailed introduction of a rigorous approach to develop behaviorally reliable, secure and resilient system design for engineering systems in general and industrial control systems in particular.
